**The Home and School Association
welcomes all the new families to OLA!!**

Dear New Families,

Hope you are enjoying your summer vacation and praying for much needed rain! We look forward to having your child in our classes this school year. The H.S.A. would like to welcome you with a small gathering to introduce you to our school and its teachers. There will be some general information to be shared by administration. It is hoped this will answer any questions and/or concerns you may have to get rid of any unwanted 'butterflies' in your stomachs. Remember those when you were much younger? Most importantly we would just like to meet you and your students!

**When: Thurs. Aug. 11th @ 6:30pm
Where: OLA Hall (this is the gym,
located West of the church)**

Contact Bertha Montoya, H.S.A. President, if you have any questions 255-3395
